

## Girls on the Run of the Bay Area Payment Form

Welcome to **Girls on the Run!** We are so glad you are joining our program.

**This form will guide you in enrolling your child in Girls on the Run.** Thank you for helping us ensure we cover program costs and Girls on the Run continues to be available to all girls.

### **TO REGISTER – return this form, the registration form, and a check for the fee**

Girls on the Run educates and builds confidence in young girls through a non-competitive, curriculum-based running program. Each program provides:

- 20 lessons conducted by three certified Girls on the Run coaches
- A water bottle
- A snack at each practice
- An official Girls on the Run T-shirt
- Participation in the Girls on the Run 5K
- A 5K finisher's medal

Although our program costs \$295 per girl, our fees range from \$10 to \$275. We ask that **participants pay a program fee corresponding to their family size and household income.** Local fundraising efforts and donations bridge the gap between program fees paid and the full program cost. Girls participate equally in the program regardless of fee paid.

Our program's sustainability depends on parents honestly choosing a payment amount. Please contribute as much towards the program cost as your family can afford. To guide you, below is a scale with suggested fees. Families with interest in supporting the program beyond their fee may choose to sponsor additional girls.

**Reading the Scale:** Find the column that corresponds to the number of family members in your household. In that column, find the box that represents your household's annual income. Follow the row to the left to the "Suggested Fee". Example: A household of 5 with an annual income of \$90,000 pays a fee of \$150.

Suggested Fee:	# of Family Members in Household	
	2 to 4	5 +
<b>\$10</b>	Up to \$35,000	Up to \$50,000
<b>\$75</b>	\$35,001-\$60,000	\$50,001-\$75,000
<b>\$150</b>	\$60,001-\$90,000	\$75,001-\$115,000
<b>\$200</b>	\$90,001-\$130,000	\$115,001-\$150,000
<b>\$275</b>	\$130,001 and up	\$150,001 and up

**No girls are turned away for an inability to pay!** Proof of income for all financial assistance may be requested.
