Franklin Pool Lincoln Pool

APPLICATION

Welcome to Alameda Swimming Pool Association (ASPA) and thank you for your interest in membership. The ASPA is a non-profit organization. Maintenance of the premises, teaching and lifeguarding are provided by voluntary efforts of the members. Instructional programs, cleaning and maintenance have priority over use of the pools. Membership swimming depends not only on the availability of the pools but also on the ability to secure lifeguards. Occasionally availability may be interfered with due to assignment of the pools for use by other organized groups or needed repairs.

Membership: Members must be residents of Alameda. Membership entitles all household members residing at the address listed below to use the pool facilities as explained under the General Information and Membership Rules posted on the attached page.

Enrollment: By Signing below, I/we hereby apply for a non-voting membership in the Alameda Swimming Pool Association for a period of one year (April 1 - March 31). I/we will abide by all the established rules and regulations. I/we understand that the membership is not automatically renewable. I/we agree to pay the established membership fee for the year.

\$ 560.00 - Standard Annual Family Membership: Access is available only during Family Swim times. April 1 through October or with Key-holder Member during normal park hours, 6 am to 10 pm. All Adult Members are responsible for 2-3 volunteer shifts per year.

Please print names of all household members residing at this address

All adult members will be assigned time(s) for mandatory guard duty during the Family Swim Season, April 1- October 31 to help keep costs and fees lower. However, if you would like to volunteer for a specific area of interest in lieu of guard duty please check the appropriate box(es) below. These positions are filled on a first-come, first-served basis and are not guaranteed. You will be notified if the position can be filled.
